BETWEEN
THE BAY AREA AIR QUALITY MANAGEMENT DISTRICT
AND
CITY/COUNTY ASSOCIATION OF GOVERNMENTS
12-SM

This Funding Agreement (Agreement) is entered into between the City/County Association of Governments, hereinafter referred to as "Program Manager," and the Bay Area Air Quality Management District, hereinafter referred to as "Air District," hereinafter referred to jointly as "Parties." This Agreement includes Attachment A, which specifies the funding allocated under this Agreement, and Attachment B, which pertains to insurance requirements.

SECTION I

RECITALS:

- 1) The Air District is authorized under California Health and Safety (Health & Safety) Code Sections 44223 and 44225 to levy a fee on motor vehicles registered within its jurisdiction ("Motor Vehicle Fees"), a portion of which the Air District receives and dedicates to its Transportation Fund for Clean Air (TFCA) program.
- 2) TFCA program monies may be allocated for projects to reduce air pollution from motor vehicles and to implement transportation control measures included in the plan adopted pursuant to Health and Safety Code Sections 40233, 40717, and 40919.
- 3) In accordance with Health and Safety Code Section 44241(d), the Air District allocates not less than forty (40) percent of the TFCA monies received to implement the TFCA Program Manager program ("Program").
- 4) The Air District has been notified, in a communication dated July 29, 1992, that the Program Manager is the duly authorized recipient of the proportionate share of Program monies for San Mateo County, and has been so designated by resolution(s) adopted by the San Mateo County Board of Supervisors and by the city councils of a majority of the cities representing a majority of the population in the incorporated area of the county. The terms and conditions for the expenditure of the County's Program monies by the Program Manager are set forth in the resolution(s).
- 5) On November 2, 2011, the Air District Board of Directors ("Board of Directors") approved the TFCA County Program Manager Fund Policies for Fiscal Year Ending 2013 ("Policies"). The Policies set forth requirements, including eligibility and cost-effectiveness requirements, for projects funded by TFCA funds in fiscal year ending (FYE) 2013. The Policies are incorporated as Appendix D and made a part of the "County Program Manager Fund Expenditure Plan Guidance for Fiscal Year Ending 2013, December 22, 2011" ("Guidance"), and are incorporated herein and made a part hereof by this reference as if fully set forth herein.
- 6) On or about April 2, 2012, the Program Manager submitted an Expenditure Plan Application to the Air District for its San Mateo County TFCA Program ("San Mateo County TFCA Program"), which specified interest income earned by the Program Manager and TFCA funds

from previously funded TFCA projects available for reprogramming to other eligible TFCA projects.

- 7) On May 2, 2012, the Board of Directors approved an estimated allocation of FYE 2013 TFCA Program monies of \$1,007,664 for San Mateo County. On this same date, the Board of Directors approved an estimated total funding level for FYE 2013 for San Mateo County to be administered by the Program Manager (FYE 2013 TFCA funds), plus interest reported by the Program Manager and any reprogramming of previous TFCA monies remaining from projects from previous fiscal years, of \$1,037,781.01, which is covered under this Agreement (“TFCA Funds”).
- 8) The Air District and the Program Manager, pursuant to Health and Safety Code Section 44241, hereby enter into this funding agreement to implement the Program within San Mateo County; to select and fund projects that improve air quality in the San Francisco Bay Area Air Basin and comply with the Policies; and to oversee such funded projects to assure that they meet, and are implemented in accordance with, the Policies and the terms of this funding agreement (“Agreement”). This Agreement covers the funding allocation set forth in Paragraph 7 above.

SECTION II

PROGRAM MANAGER AGREES:

- 1) To implement the FYE 2013 Program within San Mateo County in accordance with this Agreement and the Policies.
- 2) To select and fund projects that improve air quality in the San Francisco Bay Area Air Basin and that comply with the Policies and the terms of this Agreement (“Program Projects”). Recipients of TFCA Funds may include the Program Manager, which undertakes its own County projects, and other entities (“Sub-awardees”). The Program Manager shall designate the Program Projects as FYE 2013 Program Projects for administrative purposes.
- 3) Except in the case where the Program Manager is the Sub-awardee, to enter into a binding agreement with each Sub-awardee that sets forth the maximum amount of TFCA Funds awarded for each Program Project, and requires each Sub-awardee to comply with the terms of this Agreement and the Policies and to implement the Program Projects as approved by the Program Manager. The Program Manager shall maintain copies of the Program Manager’s written agreements with Sub-awardees and any amendments thereto with Sub-awardees to carry out the Program Projects.
- 4) To encumber and expend all TFCA Funds within two (2) years of receipt of the first payment of the TFCA funds. The Program Manager may extend this time limit to the last day of the Term of this Agreement if, consistent with the Policies:
 - a) The Program Manager approves an application to extend the time to implement a particular Program Project, which extended deadline will be later than two (2) years from the date the Program Manager receives the first payment of TFCA funds, or
 - b) The Program Manager finds, based on the Sub-awardee’s application that despite significant progress on the particular Program Project, the Sub-awardee requires additional time to implement the Program Project.

- 5) To return to the Air District any TFCA Funds and associated interest unexpended as per Section II, Paragraph 4 unless either:
 - a) The Program Manager has approved an extension for a Sub-awardee to implement its Program Project(s) as per Section II, Paragraph 4, or
 - b) The Air District and the Program Manager have amended this Agreement to provide for further extensions of time to expend such funds.
- 6) To maintain, at all times during the term of this Agreement, a separate account or sub-ledger for all TFCA Funds and to withdraw funds from this separate account only for the reimbursement of costs to implement Program Projects. Failure to comply with this paragraph shall constitute grounds for termination pursuant to Section IV, Paragraph 2 below.
- 7) To maintain, or cause to be maintained, adequate records to document and demonstrate to Air District staff and auditors the receipt, interest accrual, and expenditures of Air District funds to implement the Program.
- 8) To track and report to the Air District all interest accrued from TFCA Funds.
 - a) The Program Manager shall not use interest from TFCA Funds for administrative purposes.
 - b) The Program Manager's distribution of any interest funds shall be at the discretion of the Program Manager, after consultation with the Air District and shall be in accordance with the Policies and applicable State law.
- 9) To track and report to the Air District any TFCA Funds and associated interest unencumbered at the time of completion or termination of a Program Project. The distribution of any such funds and associated interest shall be at the discretion of the Program Manager, after consultation with the Air District.
- 10) To limit administrative costs to conduct the Program to no more than five percent (5%) of the FYE 2013 TFCA monies received by the Program Manager.
- 11) To allow, and to require the Sub-awardees to allow, the Air District's staff, its authorized representatives, and its independent auditors, during the term of this Agreement and for three (3) years following completion of each Program Project, to conduct performance and financial audits of the County's Program and Program Projects and to inspect the Program Projects. During audits, the Program Manager will make available to the Air District in a timely manner all records relating to the Program Manager's implementation of the Program and of Sub-awardees' expenses and performance of their Program Projects. During inspections, the Program Manager will provide, at the request of the Air District, access to inspect a Sub-awardee's Program Projects and related records.
- 12) To keep, and to require Sub-awardees to keep, all financial and Program Project implementation records necessary to demonstrate compliance with this Agreement and the Program. Such records include the reports and those records required to comply with Section II, Paragraphs 8, 9, 10, 11, 12, 15, and 21. Such records shall include documentation that demonstrates significant progress made for those Program Projects seeking extensions to the completion date. The Program Manager shall keep such documents in a central location for a

period of five (5) years following completion of the projects and shall require each Sub-awardee to keep its necessary records at a central Sub-awardee location.

- 13) To maintain, and to require that each Sub-awardee maintain, employee time sheets documenting those hourly labor costs incurred in the implementation of this Agreement, including both administrative and Program Project implementation costs, or to establish an alternative method to document staff costs charged to the funded project.
- 14) To distribute TFCA Funds allocated to a Sub-awardee only as reimbursement for documented Program Project costs that are eligible and approvable under the Policies.
- 15) To prepare and submit reports to the Air District as follows:
 - a) Semi-annual Funding Status Report: Beginning May 31, 2013, the Program Manager shall submit a report on May 31 and October 31 of each year until all Program Projects are completed that specifies a) the Program Projects that have been cancelled, completed, and completed at a cost less than the allocation during the previous six-month period and if completed at a lesser cost, the amount of associated unexpended funds; and b) the Program Projects for which the Program Manager has extended any deadlines and, for those projects, the revised completion date and documentation of the Program Manager's certification that, pursuant to Health and Safety Code Section 44242(d), the Sub-awardee had made significant progress.
 - b) Final Reports: Beginning May 31, 2013, the Program Manager shall submit each May 31 and October 31, until all Program Projects are completed, a Final Report for each completed Program Project, which itemizes (a) the expenditure of the TFCA Funds, and (b) the results of the monitoring of the performance of each Program Project on Air District-approved report forms.
 - c) Interim Project Reports: Beginning October 31, 2013, the Program Manager shall submit each October 31 an Interim Project Report for each Program Project that has not been completed and which itemizes (a) the expenditure of the TFCA Funds, and (b) the status of each Program Project's implementation on Air District-approved report forms.
 - d) If the due date for a report specified above falls on a weekend or on a State holiday, then that report is due on the following business day.
- 16) To acknowledge, and to require all Sub-awardees to acknowledge, the Air District as a Program Project's funding source during the implementation of a Program Project and to use the Air District's approved logo as specified below:
 - a) The logo shall be used on signs posted at the site of any Program Project construction.
 - b) The logo shall be displayed on any vehicles or equipment operated or obtained as part of a Program Project.
 - c) The logo shall be used on any public information material relating to a Program Project, such as websites and printed materials, including transit schedules, brochures, handbooks, maps and other promotional materials.
 - d) The Program Manager shall retain documentation, such as photographs of vehicles and copies of press releases, demonstrating that Air District logos are used and displayed as required.

- 17) To assure that all TFCA Funds received under this Agreement are expended only in accordance with all applicable provisions of law for projects that are implemented directly by the Program Manager, and to require Sub-awardees to expend the funds only in accordance with all applicable provisions of law.
- 18) To return, and to require that Sub-awardees return, to the Program Manager all TFCA Funds that are not expended in accordance with applicable provisions of law.
- 19) To return funds to the Air District, and require that Sub-awardees return their funds to the Program Manager if a project is not maintained and/or operated throughout and until the conclusion of the Project Years of Effectiveness. The Project Years of Effectiveness is the default value stated in Appendix G of the Guidance for the applicable project type, unless a different value was approved and shown to yield a Project meeting the cost-effectiveness requirement in the Policies by the Program Manager. The amount of funds returned to the Program Manager shall be calculated on a prorated basis. Any such funds returned to the Program Manager shall be reallocated to eligible TFCA Program Projects.
- 20) To obtain and maintain, and to require that each Sub-awardee obtain and maintain, throughout the Term of this Agreement, the insurance coverage specified in "Insurance Requirements," Attachment B, and to comply with all insurance requirements set forth therein, including the provision of documentation of said insurance coverage. Failure to obtain and maintain the insurance coverage and to comply with all insurance requirements is a breach of this Agreement.
- 21) To the extent not otherwise prohibited by law, and to the extent required by the California Public Records Act (California Government Code section 6250 *et seq.*), to make available to the public and to require that Sub-awardees make available to the public any software, written documents, or other products developed with TFCA Funds.

SECTION III

AIR DISTRICT AGREES:

- 1) To pay the FYE 2013 TFCA monies, the amount of which is estimated on Attachment A, Summary Information, Line 1 and calculated as set forth in Section III, Paragraphs 1a and 1b below, for Program Projects that are consistent with the Policies and this Agreement, in two payments. Payments shall be made after this Agreement has been signed by both the Program Manager and the Air District. Notwithstanding the above, the Air District is only obligated to pay that portion of the FYE 2013 TFCA monies that that constitutes that portion of the fees subvented by the California Department of Motor Vehicles ("DMV") for calendar year 2012 to the Air District for its allocation to the Program Manager from the Program funds. To the extent the estimated FYE 2013 TFCA monies exceed the Motor Vehicle Fees that are received by the Air District and are available to the Program Manager, the Program Manager understands and agrees that the Air District will not pay the difference between the Motor Vehicle Fees available and the estimated FYE 2013 TFCA monies.
 - a) To endeavor to forward the first payment within thirty (30) business days of the Air District receiving from the DMV all the revenues that comprise the payment. The first payment shall represent the County's proportionate share of the Program revenues

generated from registration fees paid for motor vehicles that registered in San Mateo County between January 1, 2012, and June 30, 2012, less Air District's administrative and audit costs.

- b) To endeavor to forward the second payment within thirty (30) business days of the Air District receiving from the DMV all the revenues that comprise the payment. The second payment shall represent the County's proportionate share of the Program revenues generated from registration fees paid for motor vehicles that registered in San Mateo County between July 1, 2012, and December 31, 2012, less Air District's administrative and audit costs.
- 2) To provide timely notice prior to conducting an audit.
- 3) To provide the Program Manager, and any other requesting party, a copy of the fiscal and performance audits conducted pursuant to Section 44242 of the Health and Safety Code.
- 4) To provide the Program Manager with all Air District-approved Program Manager reporting forms required for the Program Manager to submit pursuant to this Agreement, including the reports required pursuant to Section II, Paragraph 15 above.
- 5) To provide a copy of the Air District logo to the Program Manager solely for use to fulfill the obligation under Section II.16 of this Agreement.

SECTION IV

If the Program Manager seeks to extend the Term in order to provide a Sub-awardee additional time to complete its Program Project(s) beyond the two-year extension already provided by the Program Manager, the Program Manager shall submit that request to the Air District no later than 60 days prior to the end of the Term.

- 2) Termination: Either Party may terminate this Agreement at any time by giving written notice of termination to the other Party which shall specify the effective date thereof.
